FOR OUR

"A workman who needeth not to be ashamed . . . rightly dividing the Word of truth." II Tim. 2:15

Director of Maintenance in 1969 when the college moved from the District of Columbia to the Lanham campus. He left success in the construction world to take part in the building of lives for the ministry of Christ. Eighty percent of the current facilities on campus were constructed under the skillful guidance of Mr. Blevins. The Milestone dedicates the 1989 edition to Leroy Blevins with much appreciation for his faithful stewardship of our campus facilities and his devotion to our Lord Jesus Christ.

DEDICATION

Leroy Blevins came to Washington Bible College as

DEAR DADS

With great pleasure we dedicate this 1989 Milestone to Mr. Richard Fincham. For the past ten years he has worked as the head grounds keeper and machine operator at Washington Bible College, and his heart of service continues to be a constant encouragement to each of us. He serves as volunteer President of the Cougar Club and has spent many hours of his own working with the athletic teams and the Junior class plays. His dedication to the Lord's work has enabled him to persevere and minister to us daily as a friend and faithful workman. We thank him for his influence in our lives and praise the Lord for blessing Washington Bible College with such a valuable servant.

... The prayers of a
righteous man
availeth much."

Wherefore seeing we also are compassed about with so great cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God.

We at WBC have the distinct privilege of having a Christian bookstore right on campus. It is a great place to browse during free time or between classes, and of course, a good place to find that snack to tide one over until lunch! The selection of Christian literature, music and curricula is excellent, and the willing help of workers encouraging. Thanks everyone!

Magnificent Maintenance

It may often be a thankless job, but we all know that we'd be in trouble without our maintenance staff. Thanks goes to Mr. Blevins, Mr.incham, Mr. Turner, and Mrs. Schubert as well as to all of our student workers for a great job. We love you!!

Hey, Sammy!

Dept. of Institutional Advancement

Laura Hall, Director of Institutional Advancement

During this year a few changes have taken place in the organization of our school, and among them was the addition of Miss Laura Hall to the Institutional Advancement staff. Miss Hall, Mr. Wiedenman, and Mr. Tissiere have all worked hard toward seeing our school move forward to be the best it can be for God's glory and the benefit of His people. We are thankful for their efforts to this end.

We would also like to welcome to the staff Mrs. Michelle Pelton who is the new secretary. As the school continues to move forward, we know that her assistance in the office will be invaluable. Welcome, Michelle!

One of the Department's responsibilities is the publishing of the WBC/CBS newsletter. This picture (right) appeared in the fall issue after money was raised for a new school van.

Founders' Banquet

Fifty years of faithfulness and achievement for Washington Bible College were celebrated at the Founders' Banquet on October 6, 1988. More than 600 friends and supporters watched a multi-media presentation which highlighted the history of the school since its founding in 1938. Maryland's Governor Schaefer honored the School with a Governor's Citation which was given "in recognition of your serving as a beacon of spiritual light to those who have passed through the mighty doors of your institution over this past half a century, and your dedication to equipping men and women for Christian service around the world . . ." Completing the evening's program was an address by Dr. Homer Heater, now a professor at the Dallas Theological Seminary. Dr. Heater graduated from both the College and the Seminary and served as Academic Dean of the Seminary for thirteen years. How thankful we are for God's blessings to us!

Christmas Banquet 1988

The Lord's birth was remembered through the Christmas buffet and concert celebrated on Saturday, December 3, 1988, at the Wagner Center. Students and staff members were joyfully united with their families, former students and friends. President Fletcher encouraged the guests through a message on the Lamb of God. Ten international students highlighted the evening as they recited John 3:16 in their native languages and led in the candlelight service. The choir and orchestra, directed by Rev. Tim Albritton and Rev. Neil Holliker, uplifted their praise to God in music and added the finishing touch to an enjoyable evening.

Athletic Banquet

The athletic banquet was held on Saturday evening, May 13, 1989. Pat Kelly, long-time friend of Washington Bible College and former Baltimore Oriole, was the guest speaker. After his challenging testimony, the men's and women's athletic teams were honored by their coaches with well-deserved letters and awards. It was a long but enjoyable evening, and in light of this we look forward to recognizing our athletic accomplishments again next year.

Senior Honors Banque

Everyone got all decked out ...

... to come and have a fun time.

"Donny and Phil" provided the music ...

... and Mr. Schuppe was the speaker for the evening.

Run to Win!

But above all . . .

... we discovered that we got more than just an education at Washington Bible College!

A sincere thanks goes to the Junior class and all those that helped to make the banquet so enjoyable. We also thank Mr. Schuppe for his encouraging message and challenge. May we all run to win!

Week of Evangelism

Each semester the college has a week during which an extra, special emphasis is placed on evangelism. This year, with the help of Brian Rosenbaum (Share Your Faith Ministries) and JoAnne LaRue (Open Air Campaigners), groups went out to minister on the University of Maryland campus as well as to neighborhoods for children's ministries and places like Annapolis for Adult Open Air ministries. We thank the Lord for the opportunities we had and the lessons we learned. May we each learn to share "as we go"!

Our foreign students prepared a delicious international meal.

Joy looks at some literature.

The WBC Missions Conference was held February 1-3, 1989 and included a good time of fellowship with close to thirty missionaries. Students had opportunities to look at literature and see slide presentations of all areas of the world. Our speaker, Dr. Paul Smith of The People's Church in Toronto, challenged us among other things to love those around us with true agape love. The Lord was at work in people's hearts and the final day of the conference saw many make public commitments to some facet of missions. We praise God for what He is doing in the lives of WBC students and faculty!

Junior Class Play

Now we can get married?!!

Larry, Moe, and Curley!

This year the Junior class sponsored a full-length comedy entitled "The Mouse That Roared." The plot centered on a tiny country by the name of Grand Fenwick that invaded the United States to protect its interests — and won! Under the direction of Mrs. Catherine Anthony and Miss Christine Doerfler, the cast put in many hours of hard work but still managed to have fun. Much credit should also go to those who worked behind the scenes for a job well done. All in all it was a success!

Coach Joe Cardamone entered the 1988 soccer season hoping and praying for five wins. A lofty goal considering the previous three years had seen three wins in all. The 1988 Cougars came within inches of claiming an Invitational Tournament Championship in North Carolina. Their stunning victory over Marymount and valiant effort against Baptist proved to all that the Cougars wanted to win. The season closed with three consecutive shutout victories. The coach's prayers were answered and the team has earned our respect.

Sudarsan Kant led all scorers with 13 goals. David Richardson and Hamid Sefiane shared time in the net and at times held the team's efforts together. As the young team continues to mature even more achievements will be built upon this solid 1988 season.

The Lady Cougars endured a very tough, long schedule in 1988. They played twenty matches in only six short weeks. Coach Belinda Bauman and her troops marched into the thick of battle and emerged with some very impressive performances. An exciting victory over Hood College gave the team the confidence to beat rivals Northeastern and United Wesleyan. Joy Moyer's consistent play earned her All-Conference honors. Ruthie Boger stunned LBC with 14 straight ace points and was named to the All-Tournament team. The five freshmen supported the turning players and each gained valuable experience. The team will lose only one senior in '89 which makes the future bright for continued success.

Women's athletics have made a comeback at Washington Bible College! After two years of having volleyball as the only women's team sport, the Lady Cougars fielded basketball and softball in the winter and spring.

Belinda Bauman, who coached volleyball as well as basketball, had a young and inexperienced basketball squad ready to face a ten-game schedule. Senior Ruth Meed brought three years of court experience to the Cougars and was naturally ready to assume a leadership role. Annette Coffman directed the offense at point guard while Becky Fletcher played the post. Ruthie Boger, Annette Sadelson and Diane Carey covered the front court while Shelly Turner and Ann Dugan covered the back court. Several casualties threatened to snatch the team from the court, but they were able to hold on, learning and growing as a team. We look forward to a challenging season next year when we can root for our team once again. Go for it!

Back row, (l to r): Rick Hancock, Andrew Bull, Matt Fletcher, Tom Crotts, Scott Boger, Jim Evans, Dean Kelly. Front row: Coach Gough, Tim Boger, Jon Evans, Dave Dawson, Jeff Gonzalez, Steve Layne, Eric Oster, Dave Richardson, Marty Orcurto.

Men's Baseball

Baseball. The word is synonymous with spring, sun, Florida, and fun. 1989 ushered in a new tradition at Washington Bible College. A winning tradition. The Cougar baseball team became the first in WBC history to end the season above the .500 mark at 13-11. Only three years after jump-starting a dead program, Coach David Gough has piloted his club to a spectacular milestone.

Every area of play substantially improved over the 1989 season. The team was able to capture 2nd place in the NAC tournament and 3rd place in the conference with a record of 8-4. The Cougars were able to defeat 5 non-conference teams which was a great achievement. It is amazing to think that the guys (Doc, EO, Ice, Slyd, Fang, Kan, Goose, Breezy, Bull, Styles, Styx, Leader, Spanky, Weenie, and Buzz) were able to endure intense opposition and emerge with substantial victories on the board.

**WE
WON!**

Women's

Back row, (l to r): Coach Austin, Debbie Klein, Lia Macy, Kerin Denault, Diane Carey, Kathy Hoffman, Lauren Davis, Asst. Coach Anthony. Front row: Shelly Turner, Ruth Meed, Annette Coffman, Barbara McCollett, Suzie Waggoner, Joy Moyer.

The first season for the Lady Cougars' softball team was anything but easy. Coach Austin and the team worked hard only to be rewarded by seven rainouts in eleven games. Nevertheless, the team had fun and those returning next year are looking forward to the chance of giving our school a name in softball. Go for it!

Global

This year the financial goal for our missions group was \$5,000. Much to our amazement, \$2,500 had come in by the end of the first semester! That meant we could tell Pastor Joshua Archipa that we had the money (\$1,000) which would enable him to come from Kenya to study with us. We were also able to send \$1,500 to The Children's Haven in Morocco to help them purchase the van they needed. During the second semester, the remaining \$2,500 came in as well as money exceeding that goal. This went toward helping the students and faculty from WBC that would be going on summer mission trips. We are excited to see the Lord moving in this way and look forward to still greater things in the coming year.

Christian

Each semester full-time students are required to complete a Christian Service assignment once a week, and while it can sometimes be rough with a busy schedule, the Lord often makes it a time of great blessing. This year there was a variety of options including the jail, campus and children's center teams as well as the addition of the puppet team. Awana clubs were also used by a large group of students to fulfill their assignments, and still others found different areas to serve in. Thanks goes to Mr. Béna and Mrs. Fletcher for all of their work on our behalf and, above all, to the Lord for His constant faithfulness as we have sought to serve Him.

Congratulations, Dean!

After a week of final exams, packing and graduation preparation, the big day finally arrived. Graduates from the certificate program on up to the Bachelor of Arts were glad to have reached the day they had worked toward and also to have the opportunity to share it with family and friends. It was a beautiful day and we thank the Lord for the end of yet another year during which we were able to serve Him and prepare for serving Him even more.

Notes From the Editors . . .

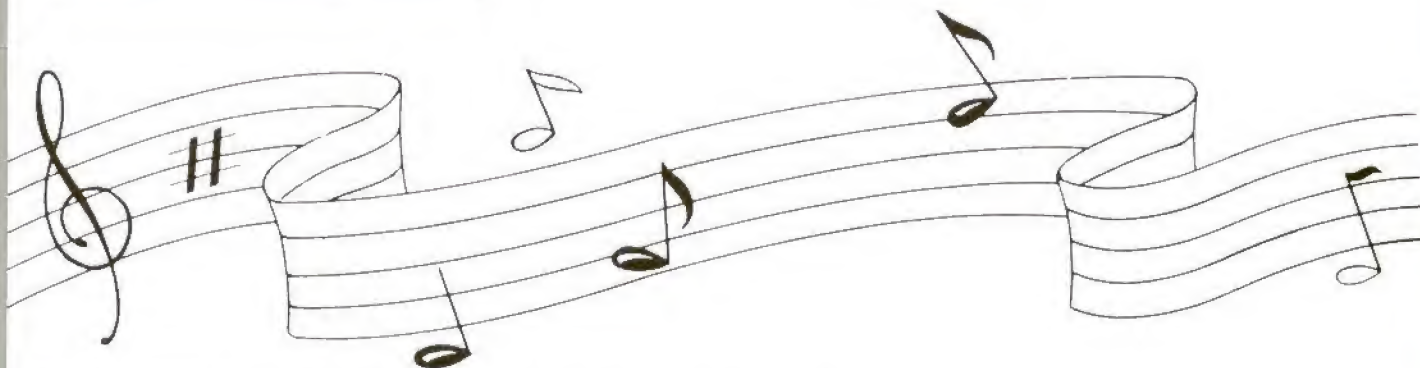

Praise the Lord! The *Milestone* belongs to Him. This yearbook was completed only by God's power, strength, wisdom, and provision.

Much thanks to my co-editor, encourager, supporter and hard worker, Jan Fowble. God bless you, Jan. I needed you and you were always there.

May all who see the 1989 *Milestone* see God's glory and power revealed in our faculty, staff and students.

God bless you all.

Love in Christ,
Heather Roche

This yearbook that you now possess is truly a "milestone" in more than just its name. I think there were times when Heather and I thought we couldn't possibly look at another picture or layout, but by God's grace, it *has* come together! We hope you enjoy looking back over the memories we all made in our "family of friends," and that the Lord can use it to remind you of what you earned during your years at WBC. I am thankful for what the Lord has done in my life during my first year here and look forward to what He will continue to do in each of our lives in the years to come.

A note of thanks to all those who assisted Heather and I in any way — we couldn't have done it without you! And Heather, you're an incredible lady — thanks for everything. God's richest blessings to you!

Keep your eyes on the goal and run to win, WBC.
